EDUCATION

Brown University, Ph.D. (Anthropology) 1994
Brown University, M.A. (Anthropology) 1988
University of New Hampshire, B.A. (Anthropology) 1986

SCHOLARSHIPS AND AWARDS

Students' Choice MUB Faculty Lecture Series. One of five faculty members nominated by students.
University of New Hampshire, 1998.

Students' Choice MUB Faculty Lecture Series. One of seven faculty members nominated by students.
University of New Hampshire, 1997.

Watson Smith Prize for best student research paper. Department of Anthropology, Brown University,
1987.

University Fellowship, Brown University. 1986-1987.

Yankee Internship. National Trust for Historic Preservation and Yankee Magazine, for work at the Eddy
Site, Manchester, N.H. 1985.

TEACHING EXPERIENCE

Associate Professor, Department of Anthropology, Franklin Pierce University, 2005-present.

Assistant Professor, Department of Anthropology, Franklin Pierce College, 2000-2005.

Visiting Assistant Professor, Department of Anthropology, University of New Hampshire, 1997-98.

Faculty-in-Residence Assistant Professor, Department of Anthropology, University of New Hampshire,
1994-97.

Visiting Instructor, Department of Sociology and Anthropology, Wheaton College, 1993-94.

Instructor, Department of Anthropology, University of New Hampshire, 1991-93.

Visiting Instructor, Department of Sociology and Anthropology, Wheaton College, 1989-91.

Instructor, Department of Anthropology and Geography, Rhode Island College, Spring 1989.

Visiting Lecturer, Department of Sociology and Anthropology, Southeastern Massachusetts University
(now UMass-Dartmouth), Spring 1988.

Teaching Assistant, Department of Anthropology, Brown University, 1987.

Teaching Assistant, Department of Sociology and Anthropology, University of New Hampshire. 1984-
Spring 1986.

FIELD RESEARCH

Founder and Principal Investigator, Monadnock Archaeological Consulting, LLC. 2004-present.

Director, Monadnock Archaeological Project, Franklin Pierce University, 2001-present.

Project Archaeologist and Co-Principal Investigator, Victoria Bunker, Inc., 1996-2004.

Project Archaeologist, Victoria Bunker, Inc., 1994-1995.

Field Supervisor, Phase I Archaeological Survey, Salisbury, New Hampshire. Dr. Charles Bolian, principal investigator, Fall, 1992.

Archaeological Field School Director, Massachusetts Audubon Society Wellfleet Bay Wildlife Sanctuary, Wellfleet, Massachusetts, Summer, 1992.

Field Supervisor, Phase I Archaeological Survey, Exeter, New Hampshire. Dr. Charles Bolian, principal investigator, Summer, 1991.

Archaeological Field School Director, G.B. Crane site, Norton, Massachusetts. Research and excavation directing undergraduate students from Wheaton College, 1989-1990.

Field Supervisor, Public Archaeology Laboratory, Inc. Pawtucket, R.I., 1988-1989.

Field Assistant, Lambert Farm Excavations. Dr. Jordan Kerber, director, Fall 1988.

Field Crew. The Public Archaeology Laboratory, Inc. Providence, R.I., Summer, 1987.

Field Crew. Phase I and II archaeological survey on the Cocheco River, Dover, New Hampshire. Dr. Charles Bolian, Principal Investigator, Summer 1986.

Field Assistant/Public Relations Director. Eddy Site Excavation, Manchester, New Hampshire. Dr. Victoria Kenyon, Principal Investigator, Summer 1985.

LABORATORY WORK

Laboratory analysis of prehistoric and contact period ceramics from archaeological sites in southern New England, for Ph.D dissertation, 1991-1993.

Laboratory processing, data base management and ceramic analysis of prehistoric cultural material from the Lambert Farm site, for the Public Archaeology Laboratory, Inc., 1988-89.

Proctor, Haffenreffer Museum of Anthropology, Bristol, Rhode Island. Duties included collections analysis and lithic analysis, Fall 1988.

Analysis of lithic and ceramic assemblages from prehistoric sites in New Hampshire for a M.A. research paper entitled "The Seabrook Phase and Post-Hopewellian Interaction in the Northeast." 1987-88.

Assistant Laboratory Manager. State Cooperative Regional Archaeology Plan, Concord, New Hampshire. Summer, 1984.

TECHNICAL REPORTS

Phase IA Archaeological Sensitivity Assessment and Phase IB Intensive Archaeological Investigation, NH Route 4 Mascoma River Bridge Replacement, East Lebanon, New Hampshire XA000(141), 13951. Report Prepared for the New Hampshire Department of Transportation. Monadnock Archaeological Consulting LLC, 2007.

Phase IA Archaeological Sensitivity Assessment for the Proposed Mt. Eustis Road Gravel Pit, Lisbon, New Hampshire. Report Prepared for Champagne Solutions, LLC. Monadnock Archaeological Consulting LLC, 2007.

Phase IA Archaeological Sensitivity Assessment for the Proposed Larrabee Street Neighborhood, Peterborough, New Hampshire. Report Prepared for One Little Woman LLC. Monadnock Archaeological Consulting LLC, 2007.

Phase IA Archaeological Sensitivity Assessment, Red Brook Road Subdivision, Jefferson, New Hampshire. Report Prepared for Chester C. Savage, Jr. Monadnock Archaeological Consulting LLC, 2007.

Phase IA Archaeological Sensitivity Assessment for the Proposed Newbury Harbor Pedestrian Improvements Project, Newbury, New Hampshire. Report Prepared for KV Partners, LLC. Monadnock Archaeological Consulting LLC, 2007.

Phase IA Archaeological Sensitivity Assessment for the Proposed Old Man of the Mountain Memorial in Franconia, New Hampshire. Report Prepared for the Old Man of the Mountain Legacy Fund. Monadnock Archaeological Consulting LLC, 2007.

Phase IA Archaeological Sensitivity Assessment for the Proposed Loon Lake Road Subdivision, Plymouth, New Hampshire. Report Prepared for A & D Klumb Environmental, LLC and Cardigan Land Enterprises, LLC. Monadnock Archaeological Consulting LLC, 2007.

Phase IA Archaeological Sensitivity Assessment for the Proposed Dartmouth Brook Subdivision, Bretton Woods, Carroll, New Hampshire. Report Prepared for Horizons Engineering, PLLC. Monadnock Archaeological Consulting LLC, 2007.

Phase IA Archaeological Sensitivity Assessment for the Proposed Jericho Mountain State Park Riding Area, Berlin, New Hampshire. Report Prepared for the Bureau of Trails, Division of Parks and Recreation, NH Department of Resources and Economic Development. Monadnock Archaeological Consulting LLC, 2007.

Phase I Archaeological Assessment, Tilton Farm Site (27RK0433), Auburn, New Hampshire. (Senior author, with Martha Pinello). Report Prepared for Lamphere Construction, Inc. Monadnock Archaeological Consulting LLC, 2007.

Phase IA Archaeological Sensitivity Assessment for the Proposed Border Court Subdivision, Manchester, New Hampshire. Report Prepared for Meridian Land Services, Inc. Monadnock Archaeological Consulting LLC, 2007.

Phase IA Archaeological Sensitivity Assessment for the Proposed Pearl Lake Brook Dam, Lisbon, New Hampshire. Report Prepared for the Town of Lisbon, New Hampshire. Monadnock Archaeological Consulting LLC, 2007.

Phase IA Archaeological Sensitivity Assessment for the Proposed Hersey Road Subdivision, Sandown, New Hampshire. Report Prepared for the Hersey Road Development Group. Monadnock Archaeological Consulting LLC, 2007.

Phase IA Archaeological Sensitivity Assessment for the Proposed Lincoln South Mountain Condominium Complex, Lincoln, New Hampshire. Report Prepared for Horizons Engineering, PLLC. Monadnock Archaeological Consulting LLC, 2007.

Phase IA Archaeological Sensitivity Assessment for the Proposed Boynton Hill Subdivision, Milford, New Hampshire. Report Prepared for Meridian Land Services, Inc. Monadnock Archaeological Consulting LLC, 2006.

Phase IB Intensive Archaeological Investigation, Clarksville-Pittsburg BRO-X-0093(001), 13208 Project, Clarksville-Pittsburg, New Hampshire. Report Prepared for Hoyle, Tanner & Associates Inc. Monadnock Archaeological Consulting LLC, 2006.

Phase IA Archaeological Sensitivity Assessment for the Proposed Hartshorn Woods Subdivision, Mont Vernon, New Hampshire. Report Prepared for Meridian Land Services, Inc. Monadnock Archaeological Consulting LLC, 2006.

Archaeological Monitoring, High Street and Main Street, Plymouth, New Hampshire Holderness-Plymouth BRO-X-221(1). (junior author, with Sheila J. Charles). Report Prepared for Beck and Belluci, Inc. Monadnock Archaeological Consulting LLC, 2006.

Archaeological Assessment and Preservation Options for the Lebanon Slate Mill Site (27GR221), East Lebanon, New Hampshire. Report Prepared for the City of Lebanon Conservation Commission. Monadnock Archaeological Consulting LLC, 2006.

Phase IA Archaeological Sensitivity Assessment for a Proposed Flood Storage Mitigation Area, Rt. 28/Highland Street Home Depot Project Area, Plymouth, New Hampshire. Report Prepared for Horizons Engineering, PLLC. Monadnock Archaeological Consulting LLC, 2006.

Phase IA Archaeological Sensitivity Assessment for the Proposed Duffer's Bluff House Lot, Goffstown, New Hampshire. Report Prepared for Sublime Civil Consultants, Inc. Monadnock Archaeological Consulting LLC, 2006.

Phase IA Archaeological Sensitivity Assessment for the Proposed Blake Road Subdivision, Danville, New Hampshire. Report Prepared for Michael Cuomo, Soil Scientist. Monadnock Archaeological Consulting LLC, 2006.

Phase IA Archaeological Sensitivity Assessment for the Proposed Bridge Replacement over the Ashuelot River, Court Street, Keene, New Hampshire. Report Prepared for SEA Consultants, Inc. Monadnock Archaeological Consulting LLC, 2006.

Phase IA Archaeological Sensitivity Assessment for the Proposed Greystone Village Retirement Community, Goffstown, New Hampshire. Report Prepared for PD Associates, LLC. Monadnock Archaeological Consulting LLC, 2006.

Phase IA Archaeological Sensitivity Assessment for the Proposed PSNH Power Street Substation Expansion, Hudson, New Hampshire. Report Prepared for AI Engineers, Inc. Monadnock Archaeological Consulting LLC, 2006.

Phase IA Archaeological Sensitivity Assessment for the Proposed Phillips Pond Subdivision, Sandown, New Hampshire. Report Prepared for Holmes Development, LLC and Raysanborn Corp. Monadnock Archaeological Consulting LLC, 2006.

Phase IA Archaeological Sensitivity Assessment for the Proposed Old Mill Farm Subdivision, Hillsborough, New Hampshire. Report Prepared for Beard Brook Village, LLC. Monadnock Archaeological Consulting LLC, 2006.

Phase IA Archaeological Sensitivity Assessment for the Proposed Hampstead Road Subdivision, Derry, New Hampshire. Report Prepared for Promised Land Survey, LLC. Monadnock Archaeological Consulting LLC, 2006.

Phase IA Archaeological Sensitivity Assessment for the Proposed Hunt Road Subdivision, Kingston, New Hampshire. Report Prepared for Home Plate II, Inc. Monadnock Archaeological Consulting LLC, 2006.

Phase IB Intensive Archaeological Investigation and Phase II Determination of Eligibility Study for the Proposed Woodbury Lane Subdivision, Mill Pine Village, Chester, New Hampshire. Report Prepared for Mill Pine Village, LLC. Monadnock Archaeological Consulting LLC, 2006.

Phase IA Archaeological Sensitivity Assessment for the Proposed Mulhall Heights Subdivision in Antrim, New Hampshire. Report Prepared for Christopher K. Danforth & Associates, LLC, Monadnock Archaeological Consulting LLC, 2005.

Phase IA Archaeological Sensitivity Assessment for the Proposed Drainage Easement to the Baker River, Warren, New Hampshire (Warren 13324), Warren, New Hampshire. Report Prepared for Pike Industries, Inc. Monadnock Archaeological Consulting LLC, 2005.

Archaeological Monitoring, Albany Cemetery Near the Russell Colbath House, Albany, New Hampshire, PFH-X-(017), Albany 13632A. (junior author, with Sheila J. Charles). Report Prepared for Alvin J. Coleman & Sons. Monadnock Archaeological Consulting, LLC, 2005.

Phase IA Archaeological Sensitivity Assessment for the Proposed Woodbury Lane Subdivision, Mill Pine Village, Chester, New Hampshire. Report Prepared for Mill Pine Village, LLC. Monadnock Archaeological Consulting LLC, 2005.

Phase IA Archaeological Sensitivity Assessment for the Proposed Hoit Road Estates Subdivision in Epsom, New Hampshire. Report Prepared for Joseph M. Wichert, L.L.S., Inc. Monadnock Archaeological Consulting LLC, 2005.

Phase IB Archaeological Sensitivity Assessment and Phase II Determination of Eligibility Study, Holderness Village Sidewalk Project, Holderness, New Hampshire (05022). Report Prepared for Horizons Engineering, PLLC. Monadnock Archaeological Consulting LLC, 2005.

Phase IA Archaeological Sensitivity Assessment for the Proposed Bixby Road Relocation Project, Tuftonboro, New Hampshire. Report Prepared for the Bell Family Trust and YMCA-Camp Belknap. Monadnock Archaeological Consulting LLC, 2005.

Phase IA Archaeological Sensitivity Assessment for the Proposed Stratford Hollow Subsurface Project, Stratford, New Hampshire. Report Prepared for Horizons Engineering, PLLC. Monadnock Archaeological Consulting LLC, 2005.

Phase IA Archaeological Sensitivity Assessment for the Proposed Industrial Park, East Milan Road, Berlin, New Hampshire. Report Prepared for Wright-Pierce. Monadnock Archaeological Consulting LLC, 2005.

Phase IA Archaeological Sensitivity Assessment for the Proposed Home Depot Location, Plymouth, New Hampshire. Report Prepared for Horizons Engineering, PLLC. Monadnock Archaeological Consulting LLC, 2005.

Phase IB Intensive Archaeological Investigation for the Proposed Home Depot Location, Plymouth, New Hampshire. Report Prepared for Horizons Engineering, PLLC. Monadnock Archaeological Consulting LLC, 2005.

Phase IA Archaeological Sensitivity Assessment for the Tamposi/Nash Industrial Park-Londonderry, New Hampshire. Report Prepared for Hudson Sand & Gravel Inc., Ballinger Properties LLC, Five N Associates, and Tana Properties Limited Partnership. Monadnock Archaeological Consulting, LLC, 2005.

Technical Report: Final Archeological Study, Site 27RK0409, Manchester-Auburn 12609, Auburn, New Hampshire. Report submitted to the New Hampshire Department of Transportation. Victoria Bunker, Inc., 2004.

Technical Report: Phase II Intensive Archeological Study, Manchester-Bedford-Londonderry Project (11512). Report prepared for McFarland-Johnson, Inc. Victoria Bunker, Inc., 2004.

Technical Report: Phase III Archaeological Data Recovery, 27-CH-100, Chesterfield, New Hampshire. (junior author, with Victoria Bunker). Report submitted to the New Hampshire Department of Transportation. Victoria Bunker, Inc., 2003.

Technical Report: Preliminary Archeological Reconnaissance, Sandy Brook Corp. Subdivision Barrington, NH. Report Prepared for NH Soil Consultants, Inc. Victoria Bunker, Inc., 2003.

Technical Report: Phase I Archeological Survey, Proposed Water Main, Penacook-Boscawen Water Precinct. Report Prepared For Levy Engineering, Inc. Victoria Bunker, Inc., 2003.

Technical Report: Preliminary Archeological Reconnaissance, Abenagui Country Club, Rye, NH. Report Prepared for NH Soil Consultants, Inc. Victoria Bunker, Inc., 2003.

Draft Technical Report: Phase II Intensive Archeological Survey, 27RK350, Pleasant Lake, Deerfield, NH Public Boat Access Facility. (senior author, with Victoria Bunker). Report Prepared for Fay, Spofford and Thorndike, Inc. and the NH Fish and Game Department. Victoria Bunker, Inc., 2003.

Technical Report: Phase I Archeological Survey Colebrook STP-X-000S (452), 13662. (junior author, with Victoria Bunker). Report Prepared for the New Hampshire Department of Transportation. Victoria Bunker, Inc., 2002.

Technical Report: Phase I Archeological Study, Belmont STP-X-029-1(12), 12916. (junior author, with Victoria Bunker). Report Prepared for the New Hampshire Department of Transportation. Victoria Bunker, Inc., 2002.

Draft Technical Report: Phase I Archaeological Study, LaBombarde Senior Housing Project. Report submitted to the New Hampshire Department of Transportation. Victoria Bunker, Inc., 2002.

Draft Technical Report Phase I-B Archaeological Subsurface Testing Manchester-Auburn STP-MGS-X-T-OOOS(251), 12609 Lake Massabesic, Auburn, New Hampshire. (senior author, with Dennis Howe). Report submitted to the New Hampshire Department of Transportation. Victoria Bunker, Inc., 2002.

Technical Report: Phase III Archaeological Data Recovery, Davison Brook Site, 27GR201, Holderness, New Hampshire. Report submitted to the New Hampshire Department of Transportation. Victoria Bunker, Inc., 2001.

Phase I-A Preliminary Archaeological Reconnaissance Bedford-Manchester, Exit 5 Project (90-293). (senior author, with Dennis E. Howe). Report Prepared for CLD Consulting Engineers, Inc. Victoria Bunker, Inc., 2000.

Draft Technical Report Phase I-B Archaeological Subsurface Testing Manchester-Bedford-Londonderry Project (11512). Report Prepared for Normandeau Associates, Inc. Bedford, New Hampshire Victoria Bunker, Inc., 2000.

Phase I-A Preliminary Archaeological Reconnaissance, Boston Gas Pipeline, Job # 11035-682-5050, Londonderry, New Hampshire. Report prepared for Dames and Moore Group. Victoria Bunker, Inc., 2000.

Archaeological Planning Level Survey, Phase IA, Project #NH00099004. Report Prepared for the Adjutant General's Department, New Hampshire Army National Guard. Victoria Bunker, Inc., 2000.

Phase I-A Preliminary Archaeological Reconnaissance, Gorham Multi-Modal Path. Report prepared for Vanasse Hangen Brustlin, Inc. Victoria Bunker, Inc., 2000.

Additional Phase I-A Preliminary Archaeological Reconnaissance, NH Route 140 Bypass Study, Belmont, New Hampshire, STP-X-OOOS(279). Report prepared for Rizzo Associates, Inc. Victoria Bunker, Inc., 2000.

Draft Technical Report: Phase I-B Archaeological Subsurface Testing, Phase II Intensive Archaeological Survey, Holderness Projects 13197, 12289. Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. Victoria Bunker, Inc., 2000.

Draft Technical Report, Phase I-B Archaeological Study, Troy-Marlborough, New Hampshire F-013-1(35), 10434. (Senior author, with Stephen Pezzetti). Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. Victoria Bunker, Inc., 1999.

Phase I-A Preliminary Archaeological Reconnaissance, Holderness Project, 13197, Holderness, New Hampshire. Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. Victoria Bunker, Inc., 1999.

Technical Report, Phase II Intensive Archaeological Survey, Wetland Replacement Area No. 2, West Side Road/Saco River, Conway Project HDPPE-9117(1), 11339A. Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. Victoria Bunker, Inc., 1999.

Phase I-A Preliminary Archaeological Reconnaissance, Derry/Londonderry Exit 4A. Report prepared for Costello, Lomasney, and deNapoli, Inc. Victoria Bunker, Inc., 1999.

Phase I-A Preliminary Archaeological Reconnaissance, NH Route 140 Bypass Study, Belmont, New Hampshire STP-X-OOOS(279). Report prepared for Rizzo Associates, Inc. Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. Victoria Bunker, Inc., 1998.

Phase I-A Preliminary Archaeological Reconnaissance, Colovos Road and Waterworks Road. Report prepared for the University of New Hampshire. Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. Victoria Bunker, Inc., 1998.

Additional Phase I-A Preliminary Archaeological Reconnaissance Keene-Swanzey, New Hampshire f-011-1(4). Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. Victoria Bunker, Inc., 1997.

Draft Technical Report, Phase IB Archaeological Subsurface Testing, Areas 2, 4, and 5, Nashua-Hudson Project (10644-A). Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. Victoria Bunker, Inc., 1997.

Technical Report: Archaeological Resources, Phase I-A Preliminary Archaeological Assessment, Portland Natural Gas Transmission System, New Hampshire Reroute. (Junior author, with V.Bunker and J.Potter). Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. Victoria Bunker, Inc., 1997.

Draft Technical Report: Phase II Intensive Archaeological Survey, 27-HB-164, Nashua-Hudson Project (10644-A). Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. Victoria Bunker, Inc., 1997.

Draft Technical Report: Phase IA Archaeological Study and Phase IB Archaeological Subsurface Testing, Dalton Project NH Route 135 Over John's River (12322). Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. Victoria Bunker, Inc., 1996.

Draft Technical Report: Phase IB Archaeological Subsurface Testing, Areas 1 and 3, Nashua Hudson Project (10644-A) Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. Victoria Bunker, Inc., 1996.

Technical Report: Phase I-B Archaeological Subsurface Testing, Waterville Valley Ski Area, Waterville Valley, New Hampshire. Report on File with the United States Forest Service, White Mountain national Forest, Laconia, N.H. Victoria Bunker, Inc., 1996.

Draft Technical Report: Phase IA Archaeological Study, Dalton Project NH Route 135 Over John's River (12322) Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. Victoria Bunker, Inc., 1996.

Technical Report: Archaeological Resources Phase IA Preliminary Archaeological Assessment Portland Natural Gas Transmission System, New Hampshire Segment. (Junior author, with V.Bunker and J.Potter). Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. Victoria Bunker, Inc., 1995.

Draft Technical Report: Phase II Intensive Archaeological Survey, Whitcomb Bridge Site, 27-CO-10, Dalton-Lunenburg Bridge Replacement Project (S-4356). Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. Victoria Bunker, Inc., 1995.

Draft Technical Report: Phase I-A Preliminary Archaeological Reconnaissance, Exit 10, Dover-Rochester #11429. Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. Victoria Bunker, Inc., 1995.

Draft Technical Report: Intensive Archaeological Survey Beverly-Salem Colonial Delivery Tennessee Gas Pipeline, Lynnfield, Massachusetts. Report on file with the Massachusetts Historic Commission. Victoria Bunker, Inc., 1995.

Draft Technical Report: Phase I-A Preliminary Archaeological Reconnaissance, High Street, Somersworth, N.H. STP-5415(002). Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. Victoria Bunker, Inc., 1995.

Draft Technical Report: Archeological Resources, Concord Civic Center, Concord, New Hampshire
Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. (junior author, with Victoria Bunker). Victoria Bunker, Inc., 1995.

Phase I-A Preliminary Archaeological Reconnaissance Pine Acres Campground, Raymond, New Hampshire. Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. Victoria Bunker, Inc., 1994.

Archeological Trench Monitoring on South Main St. (NH Route 12) Keene, New Hampshire: Keene, BRF-013-1(33), C-4306. Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. Victoria Bunker, Inc., 1994.

Phase I-A Preliminary Archaeological Reconnaissance Keene-Swanzey, New Hampshire f-011-1(4). Report on file with the New Hampshire Division of Historic Resources, Concord, N.H. Victoria Bunker, Inc., 1994.

An Intensive Archaeological Survey of the Proposed Mattapoisett Residential/Golf Community Development, Mattapoisett, Massachusetts. (Junior Author, with E.Holstein and A.Levelliee). Report submitted to the Massachusetts Historical Commission. The Public Archaeology Laboratory, Inc. 1990.

An Intensive Archaeological Survey and Site Examination at Little Rattlesnake Hill, Raymond, New Hampshire. (Senior author, with D.Ritchie). Report submitted to the New Hampshire Division of Historic Resources. The Public Archaeology Laboratory, Inc. 1989.

An Intensive Archaeological Survey of the Proposed Monument Street Development, Concord, Massachusetts. (Junior author, with D. Mowchan and D.Ritchie). Report submitted to the Massachusetts Historical Commission. The Public Archaeology Laboratory, Inc. 1989.

An Intensive Archaeological Survey of the Yankee Heights Project Area, Quincy, Massachusetts. (Senior author, with R.Fitts and D.Ritchie). Report submitted to the Massachusetts Historical Commission. The Public Archaeology Laboratory, Inc., 1988.

An Intensive Archaeological Survey of the Proposed Fitchburg Technology Park, Fitchburg, Massachusetts. (Junior author, with A.Levelliee and D.Mowchan). Report submitted to the Massachusetts Historical Commission. The Public Archaeology Laboratory, Inc., 1988.

PAPERS

"Native American Occupation in the Connecticut and Merrimack Drainages of Southwestern New Hampshire." Presented at the 48th Annual Meeting of the Northeastern Anthropological Association, Amherst, Massachusetts. March, 2008.

"An Overview of the Antiquity and Continuity of the Abenaki in Southwestern New Hampshire." Presented at the 74th Annual Meeting of the Eastern States Archaeological Federation, Burlington, Vermont. November, 2007.

"11,000 Years in Ndadkinna: Native American History and Archaeology in the Monadnock Region." Presented for the Amos Fortune Forum, Jaffrey, New Hampshire. June, 2004.

"A Native American Stone Fish Dam in Southwestern New Hampshire." Senior author, with Brooke Shunning and Quinn-Monique Ogden. Presented at the 44th annual meeting of the Northeastern Anthropological Association, Dartmouth College, Hanover, NH. March, 2004

"Searching for Children in the Late Archaic." Presented at the annual meeting of the Conference on New England Archaeology, Sturbridge, MA. May, 2003.

"Archaeological Survey on the Ashuelot River." Presented at the Fall meeting of the New Hampshire Archeological Society, October, 2002.

"Archaeological Survey in Southwestern New Hampshire." Presented at the Spring meeting of the New Hampshire Archeological Society. April, 2002.

"Archaeological Survey in Southwestern New Hampshire." Presented at the 42nd annual meeting of the Northeastern Anthropological Association, Bridgewater, MA. March, 2002.

"Digging Into Native History in New Hampshire." Presented at the session "Earthshapers, Placemakers: American Indians and the New England Landscape". With Earth in Mind Series, New Hampshire Humanities Council. March, 2002.

"Between the Lakes: The Davison Brook Site (27GR201), Holderness, New Hampshire." Presented at the Fall Meeting of the New Hampshire Archeological Society, October, 2000.

"Comments on Creating and Interpreting Cultural Identity" Presented at the annual meeting of the Conference on New England Archaeology, Sturbridge, MA. May, 1996.

"The Windsor Tradition Reconsidered: Assessing the Utility of Ceramic Typologies in New England Archaeology." Presented at the 36th annual meeting of the Northeastern Anthropological Association, Plymouth, N.H. March, 1996.

"Technological Patterning and Social Boundaries: Ceramic Variability in Southern New England, A.D. 1000-1675." Presented at the 60th annual meeting of the Society for American Archaeology, Minneapolis, Minnesota, May, 1995.

"Resistance and Contradiction in the Archaeological Record: A Case Study from Southern New England." Presented at the Radical Archaeology Theory Seminar, Brown University, Providence, R.I. March, 1995.

"Typology and Meaning: Problems with Imposing Order on Contact Period Ceramics from Southeastern New England." Presented at the 59th annual meeting of the Society for American Archaeology, Anaheim, California, April, 1994.

"Diversity, Commonality, and Complexity: Interpreting the Meanings of Ceramic Design in Southeastern New England" Presented at the annual meeting of the Conference on New England Archaeology, Sturbridge, MA. May, 1993.

"Why So Fancy? Some Thoughts on Contact Period Ceramics from Southern New England." Presented at the Fall Meeting of the New Hampshire Archeological Society, Colby-Sawyer College, New London, N.H. October, 1992.

"Processualism, Post-Processualism, and Cultural Resource Management in New England." Presented at the 57th annual meeting of the Society for American Archaeology, Pittsburgh, Pennsylvania, April 1992.

"Diversity as a Typological Construct: Understanding Late Woodland Ceramics in the Narragansett Bay Drainage." Presented at the 32nd Annual Meeting, Northeastern Anthropological Association, Bridgewater, Massachusetts. April, 1992.

"Prehistoric Small Site Research in the Upper Taunton River Drainage." Presented at the 30th Annual Meeting, Northeastern Anthropological Association, Burlington, Vermont. March, 1990.

"Late Woodland Occupation at the Lambert Farm Site." Presented at the Spring Meeting of the Archaeological Society of Connecticut. April, 1989.

"Middle Woodland Exchange in the Northeast: Some Insights from New Hampshire." Presented at the 28th Annual Meeting, Northeastern Anthropological Association, Albany, New York. March, 1988.

"Middle Woodland Ceramics from Seabrook, New Hampshire." Presented at the Spring Meeting of the Massachusetts Archaeological Society, Clark University, Worcester, Mass. April, 1988.

"Middle Woodland to Contact-era Ceramics from the Rocks Road Site, Seabrook, New Hampshire." Presented at the 4th Annual Northeastern Ceramics Conference, Boston University, October, 1987

"Middle Woodland Exchange and Lithic Technology at the Rock's Road Site (NH 47-21)." Presented at the Fall Meeting of the New Hampshire Archaeological Society, University of New Hampshire, Durham, NH, October, 1987

"Art in Prehistoric New England." Presented at the Rhode Island School of Design, Providence, R.I. March 27, 1987.

"A Miserable Quartz Workshop in Dover, New Hampshire." Presented at the 1986 Fall Meeting of the New Hampshire Archaeological Society, Plymouth State College, Plymouth, N.H. (with Charles Bolian). October, 1986.
