

Franklin Pierce Source Guide

The Franklin Pierce Source Guide is designed to assist members of the media and the external community in finding spokespeople qualified to address a variety of topics. Not all areas of campus expertise are listed below. Franklin Pierce is prepared to assist reporters and others in locating additional appropriate individuals who may not be included in the Source Guide. General topics are listed alphabetically. Specialties are listed as subcategories underneath general topics. You may use “Control F” (on a PC) to perform a customized search. For information on additional sources or for assistance in reaching any of the individuals listed below, please contact Brian Stuart in the Office of College Relations at 603-899-4221 or e-mail stuartb@fpc.edu.
