

The Washington Center Scholarship Program Application

Franklin Pierce University both encourages students to study abroad and recognizes that the financial challenges of studying abroad also exist. The University has collaborated with The Washington Center (TWC) in an effort to offer the opportunity for students to participate in this prestigious experience. The TWC program has costs associated with it, and because of these program costs that are billed to Franklin Pierce, a student's Franklin Pierce Grant/Scholarship must be prorated accordingly.

The Office of Student Financial Services (OSFS) evaluates applications for **The Washington Center Scholarship Program** and awards limited funds in an effort to make studying abroad more affordable.

Eligibility:

Students must file the Free Application for Federal Student Aid (FAFSA) as well as the **Washington Center Scholarship Program** application in order to be considered. Students must be full-time, and matriculated into a degree program, making satisfactory academic progress (as defined) in order to participate in the scholarship program. The Washington Center Scholarship Program Application is available in the OSFS and on the OSFS website.

Deadlines for the scholarship application are:

Fall 2008 Semester: Applications due: June 1, 2008

Spring 2009 Semester: Funds not available- Federal Aid only.

The OSFS evaluates all applications on a first-come, first serve basis. Applications are reviewed based on financial need and awards range from \$200-\$1500 for the semester the student is studying abroad through TWC. The OSFS will notify students of eligibility in writing within 10 days of the application due date. Late applications will not be considered.

Disbursement:

The OSFS will disburse funds for all scholarship recipients after the Add/Drop period in which the student is abroad. Disbursements will be made directly onto the student's account with the University. Refunds, if eligible, will not take place until all financial aid has been posted to a student's account. Refunds will be released as requested on the Refund Request Form.
